

PRICE LIST · EFFECTIVE 12/05/2026

Our Veterinary Fees

Clear, upfront pricing for our treatments. You'll always know what to expect for your pet.

Written Estimates

Provided for every procedure, and always for treatment likely to cost £500+ (inc. VAT).

Itemised Bills

Every invoice is broken down in full. There will be no vague or bundled charges.

Prescription Rights

Ask for a written prescription and buy medicines from any registered supplier.

Cremation Choices

Communal and individual options explained clearly, with no pressure.

Ownership & Independence Statement

Valley Vet Care is an independently owned veterinary practice based in Rochdale, run by *Vincent Wager and Hammad Sarwar*, and is *not* part of a larger corporate veterinary group.

All prices include VAT where applicable. Prices correct as of 12 May 2026 and reviewed regularly. Some prices may be adjusted upwards for more complex or complicated cases. We will always agree this with you first in writing.

Prescriptions, Dispensing & Administration

Service	Price
Prescription fee - first item	£16.00
Prescription fee - each additional item	£12.50
Repeat prescription fee - first item	£16.00
Repeat prescription fee - each additional item	£12.50
Dispensing fee (in-house)	£12.60
Injection fee (in-house)	£18.60
Insurance administration fee	£0.00

Know your rights! You can ask us for a written prescription instead of buying medicines from us, and use it to buy from any online or high-street pharmacy registered with the Veterinary Medicines Directorate. A written prescription costs no more than £16 for the first item and £12.50 for each additional item on the same visit.

New - required under CMA rules

Cremation Options

In line with new government rules on cremation transparency, we will always explain **every** cremation option available. No one is ever asked to choose individual cremation by default.

Cremation Pricing & Partner Details

We work closely with Whitley Brook Crematorium to provide a compassionate end-of-life service, with ashes typically returned within 7 days, allowing you to remember your pet in the way that feels right for you.

[View Whitley Brook Cremation](#)

Cremation Type	Price
Communal Cat Cremation	£111.80
Communal Dog Cremation	£125.29
Communal Rabbit Cremation	£73.40

Individual Rabbit Cremation (ashes in traditional casket)	£240.59
Individual Small Mammal / Avian Cremation (ashes in traditional casket)	£145.69

Support at every step: We can arrange a paw print or fur keepsake, and a condolence card, whichever option you choose. If you'd like to talk this through in advance, please contact our team. There's no obligation.

Flea & Worm Treatments

Please speak to our vet about whether your pet needs parasite treatment. We'll always prescribe based on clinical judgement, not a fixed menu. Prices below include dispensing fees and VAT. This list is not exhaustive and is not a menu of options; a written prescription is required for Prescription Only Medicines (POMs).
